

Email Forward settings for CUNI.CZ - via M365 cloud

In general

Charles University automatically creates email accounts for all employees at the “central tenant” of Microsoft 365.

Emails are in format UKCO@o365.cuni.cz (e.g.: 99999999@o365.cuni.cz)

Unfortunately there is no automatic email redirect from this generic mailbox anywhere.

Each user have to set the redirect individually.

It can be done easily by logging into M365 environment and set the redirect in online Outlook

d) hit **Save** button

The screenshot displays the 'Settings' application with the 'Forwarding' section selected. The left-hand navigation pane shows 'Mail' as the active category, with 'Forwarding' highlighted by a red arrow. The main area shows the 'Forwarding' settings, including a toggle for 'Enable forwarding' which is turned on. Below this, the 'Forward my email to:' field is populated with 'john.doe@cerge-ei.cz' and is circled in red. The checkbox for 'Keep a copy of forwarded messages' is also checked and circled in red.

8) Test the forwarding setup - send an email to your CUNI address and check your CERGE-EI inbox
